---

## Professional Summary:

Results-driven Software Engineer with strong programming expertise in Python, Java, JavaScript, MySQL, HTML, and CSS, along with a solid foundation in mobile application development. Knowledgeable in software engineering principles including OOP, SDLC, and test-driven development. Experienced in backend development, RESTful API integration, database management with MySQL, debugging, and data structures, with a focus on writing clean, scalable, and efficient code. A strong communicator and collaborative team player who thrives in dynamic environments and takes ownership of challenges to deliver impactful solutions.

## Education:

Diploma in Information Technology And Engineering

Government Polytechnic Chhatrapati Sambhaji Nagar

(August 2023-June 2026)

Percentage: 1<sup>st</sup> Semester : 85.06%

2<sup>nd</sup> Semester : 88.22%

3<sup>rd</sup> Semester : 90.48%

4<sup>th</sup> Semester : 94.05%

---

## Skills:

- Languages: Java, Advanced C Programming, SQL
- Database: MySQL, MS-SQL Server
- Web Development Technologies: HTML, CSS, Javascript

---

## Certification:

- HTML, CSS and Javascript for Web Developers
- Coding Competition (Codathon)
- C-Code Error Hunt (Technova -2025)

Issued on: 03/9/2024

Issued on: 28/03/2025
